

Accessibility Statement for the PLT website

Coop Italia Soc. Coop. with registered office in Casalecchio di Reno (BO) via del Lavoro n 6 – 8, VAT N. 01515921201 undertakes to make its website accessible, in accordance with Law no. 4 of 9 January 2004.

This accessibility statement applies to: *plt.coopitalia.coop.it*

Compliance status

Current status: Partially compliant.

This website is partially compliant with the requirements of Appendix A of UNI CEI EN 301549 standard due to the cases of non-compliance listed below.

Content not accessible

1.1.1 Non-text content

Some non-text content presented to the user does not have a text alternative that serves the equivalent purpose.

1.3.1 Information and correlations

In some cases, information and correlations among elements (headings order, forms labels, list elements), are not provided programmatically.

1.4.3 Minimum contrast ratio

The visual representation of text and images of text does not always have the required minimum contrast ratio.

1.4.4 Resizing of the text

Text cannot be resized up to 200% without the aid of assistive technologies and without loss of content and functionality.

1.4.10 Recalculation of the flow

Content cannot always be resubmitted without loss of information or functionality and without requiring scrolling in two dimensions.

2.1.1 Keyboard

Not all content features are usable via a keyboard interface.

2.4.3 Focus order

Web pages cannot always be browsed sequentially.

2.4.6 Headings and labels

Headings and labels are not always used to describe topics or purposes.

3.3.1 Identification of errors

When an insertion error is detected, the error is not always identified and described by text.

3.3.2 Labels or Instructions

Labels or instructions are not always provided when content requires user input actions.

4.1.2 Name, role, value

Not all user interface components are programmatically determined.

4.1.3 Status messages

Notification of the state change of some elements does not occur in a programmatic way.

Drafting of the accessibility statement

This statement was drafted on 12/09/2024.

Information included in this statement were obtained through a third-party assessment.
