

## **REGISTRATION TO COOP ITALIA S.C. PORTAL**

**1** The registration to the Portal is a necessary and indispensable condition to participate to the activities. To this end, the Supplier inserts on the Portal its data and all information deemed necessary or useful by COOP ITALIA to identify such supplier (Registration data). The Supplier ensures that data provided are true and correct.

**2** With the registration, the Supplier chooses an identification code (User ID) and it is given a password. Registration is deemed completed when both Password and User ID are validated.

**3** User ID and Password are strictly personal and they cannot be transferred. The Supplier undertakes not to disclose them to third parties and to keep them confidential, and it is the sole responsible of their use by third parties, undertaking to promptly inform COOP ITALIA in case they should be stolen or lost.

**4** Once User ID and Password are validated, the Supplier can, if invited, participate to the Activities using a tool provided with internet connection, according to the basic technical requirements indicated by COOP ITALIA. Purchase, installation and configuration of any hardware and software are to be paid by the Supplier. The Supplier undertakes to use and configure its own software and hardware so as to allow for the Activities' information security.

**5** The Supplier acknowledges and agrees that the use of the USER ID and Password irrevocably identifies as provided by the Supplier any data or information inserted on the Portal.

## **2. SUPPLIER'S OBLIGATIONS**

The Supplier undertakes:

2.1) not to adopt behaviour or practices that be anti-competition, against laws, regulations and/or third parties' rights and not to provide false, misleading or illicit information;

2.2) to provide an exact, truthful, correct and not misleading declaration on the list of ingredients and allergens of products supplied to Coop Italia's associates;

2.3) to communicate through the portal, at least fifteen (15) days in advance, any change to ingredients or allergens;

2.4) In relation to the use of the Portal, the Supplier declares and guarantees it has full title to or availability of any data, information and content provided to COOP ITALIA and that their use by COOP ITALIA according to this Agreement does not breach any third party's right nor laws and/or regulations.
